MICHIGAN AGRICULTURAL COLLEGE

CATALOGUE OF OFFICERS AND GRADUATES

1857—1911

EAST LANSING, MICHIGAN
1911
PREFATORY NOTE

This catalogue consists of three parts: (1) A list of all officers of the College; (II) The names and addresses of graduates; (III) A geographical index of graduates.

The lists of officers are arranged in groups, each group being in chronological order with the exception of the lists of Instructors and Assistants. For convenient reference these are arranged in alphabetical order.

Part II is arranged alphabetically by classes. An effort has been made to obtain the official position and address of every living graduate, also to ascertain the date and place of death of decedents.

The Geographical Index, Part III, is arranged alphabetically by states and by cities in each state. In instances where the business and residence addresses are in different cities, the name appears in the lists of both cities.

Information regarding errors or omissions will be welcomed.

EXPLANATORY NOTE

It was the intention to publish this volume in 1910, ten years after the last similar catalogue was issued. The publication has been delayed for one year but it was thought best to complete the lists of officers and graduates only to the close of the college year, 1910, with the exception of the names of the graduates of 1911. The College expects hereafter to issue the catalogue at the regular ten-year periods.
